## **Ranaz reports strong sales growth in the second quarter of 2008**

- **Increase of approximately 93% to \$6.7 million compared to the second quarter of 2007**
- **Growth across the board for all markets and all products**

**Montreal, Québec, August 5, 2008** – Ranaz Corporation (“Ranaz”) (TSX-V: RNZ), a company specialized in the manufacturing and marketing of protein and dietary supplements, today reports its sales figures for the second quarter and six-month period ended June 30, 2008. Ranaz will release its full financial results for the period on August 29, 2008.

Ranaz expects its second quarter sales to increase by about 93% to approximately \$6,700,000 from \$3,471,695 for the same period in 2007. Ranaz expects its sales for the first six months of the year to total approximately \$10,890,000, up about 70% from \$6,384,587 in 2007.

“Sales of ProtiLife, Protidiet and BarTech were higher in all our markets, and demand for our products continues to grow despite ongoing economic uncertainty,” said Jean Bourassa-Marineau, President and founder of Ranaz. “As we said last quarter, our priority is to achieve operating profitability as soon as possible while continuing to expand.”

Ranaz is currently preparing its second quarter results. The above forecasts are based on current estimates and subject to change.

### **About Ranaz Corporation**

Ranaz is a corporation specializing in the manufacture and marketing of protein and dietary supplements. Its mission is to design, develop and market nutritional, protein and dietary supplements under its own corporate brands and concepts, such as Protidiet and ProtiLife, as well as under private labels.

*Certain statements contained in this news release, other than statements of fact that are independently verifiable at the date hereof, constitute forward-looking statements. This release also includes financial information of which, as of the date of this news release, Ranaz’s independent auditors have not reviewed. Such statements, based as they are on the current expectations of management, inherently involve numerous risks and uncertainties, known and unknown, many of which are beyond Ranaz’s control. Such risks include but are not limited to: the impact of general economic conditions, changes in the regulatory environment in the jurisdictions in which Ranaz does business, stock markets volatility, fluctuations in costs, and changes to the competitive environment due to consolidation, as well as other risks disclosed in public filings of Ranaz. Consequently, while Ranaz believes that the assumptions upon which the forward-looking statements (particularly financial) are based are reasonable, actual future results may differ materially from the anticipated results expressed in the forward-looking statements, and can give no assurance that these assumptions will prove to be correct. The reader should not place undue reliance, if any, on the forward-looking statements included in this news release. These statements speak only as of the date made and Ranaz is under no obligation and disavows any intention to update or revise such statements as a result of any event, circumstances or otherwise.*
